WHAT IS SHOWHUNTER?

Showhunter is a discipline that is based on 8 to 10 inviting jumps, set on a fixed distance striding. Show Hunter is judged on balance, style and rhythm.

THIS IS A TRAINING EVENT

You do not have to be registered with ESNZ to participate. Normal Showhunter rules and regulations still apply and these may be found on the ESNZ website.

EQUITATION

This is judged on the rider and the course may include a halt, trotting a fence etc. You may only ride once in each equitation class. Refer to <http://www.nzequestrian.org.nz/Article.aspx?ID=2867> for rules and example tests.

WHAT SHOULD I WEAR?

You must have a safety approved helmet & heeled boots. Dress may be casual but tidy. It's a good idea to have long hair tied back and make sure you horse/pony and tack are clean. No braiding.

ARE THERE EQUIPMENT REQUIREMENTS?

Short answer here is YES! Check them out on the ESNZ website, they include specifics on bits, no dropped nosebands, no training equipment, etc

DO I HAVE TO DO FLYING CHANGES?

A simple change through trot is fine for a training day
